

Strathclyde University. Student Get Home Safe Scheme.

v2 Sep 2020.

Glasgow Taxis and Strathclyde University are working together to help any Strathclyde student get home safely, should they, for whatever reason, find they cannot fund their travel home.

If you find yourself in this situation, at any time of the day, you can call Glasgow Taxis and arrange a Separated, Sanitised and Safe taxi to get you home safely on a Strathclyde Account.

All you need to do is, call Glasgow Taxis, advise you are a Strathclyde student and wish to use the Get Home Safe Scheme, confirm your Student ID with your driver, and Glasgow Taxis will get you home up to a value of £30.00.

How to Book Your Taxi.

1. Please always call Glasgow Taxis direct on 0141 429 7070.
2. Please advise the operator you are a Strathclyde Student and you wish to use the Get Home Safe Scheme.
3. You will be asked to provide your Name, Telephone Nos, Pick Up and Destination. You will also be asked to present your physical or virtual Student ID to the driver on arrival.
4. You will receive a Text Tracking link to track progress of your booking.
5. On arrival, the driver will ask for your physical or virtual Student ID to confirm your details before the journey begins and they will confirm this with GTL Base. Once confirmed, the driver will take you to your destination.

NB. You must provide your valid physical or virtual Student ID. If no ID, you cannot use the scheme.

COVID-19 and Travel.

We must all work together to protect each other and apply as many layers as possible to mitigate transmission of COVID-19. When you travel, please protect yourself, and others, by following some simple guidelines:

1. Wash your hands thoroughly before travelling.
2. Wear a face covering if applicable.
3. If travelling with more than one person, please keep your journey as short as possible and avoid contact as much as possible.
4. Wash your hands thoroughly after your journey.

All Glasgow Taxis vehicles are regularly cleaned using Ozone Deep Clean technology. All drivers have an enhanced cleaning policy in place where they wipe down all surfaces between journeys. Every taxi keeps you separated from your driver by a purpose built screen.
