

## Strath Union Elections – Self Definition

To vote in some categories, you will need to self-define. For example, only those who self-define as Mature Students can vote for the Mature Students' Rep

When you log in to vote, you will see which positions you are not eligible to vote for – if this is incorrect, you can self-define by updating your voting profile. There's a link at the bottom of this page, or you can select 'Profile' at the top, next to the 'Vote' button.

To select which position you are eligible to vote for, simply tick the relevant position and click 'Update Self-Defined Status'. You can then vote for the positions you are eligible for.

You do not qualify to vote for the following positions:

[BAME Rep Why?](#)

[Disabled Students' Rep Why?](#)

[Faculty Rep Business Why?](#)

[Faculty Rep Humanities and Social Sciences Why?](#)

[International Students' Rep Why?](#)

[LGBT+ Rep Why?](#)

[Mature Students' Rep Why?](#)

Some of these positions may require you to self-define. You can do this in your [Elections Profile](#).
