

## **VP Education Report – Parliament 1**

- Increasing visibility of the Student Academic Representation system before the start of the academic year
- *For staff:*
  - Add information to the Teaching and Department Checklist
  - Create and maintain a dedicated Union webpage to inform staff about student academic representation
- *For students:*
  - Design and distribute flyers with key information during Freshers' Week and throughout the academic year
  - Develop social media content explaining the student representation system
- *For faculty reps:*
  - Update the website with faculty rep photos (pending uploads)
  - Provide branded clothing to increase rep visibility
  - Strengthen links with faculties by involving reps in inductions
  - Encourage and support rep participation in Freshers' Week
- Strategic Alliance Framework (SAF)
- Bring VP Education goals for the year to SAF on four key areas:
  - Building stronger academic student representation
  - Reviewing Personal Circumstances
  - Enhancing student employability by increasing credit-bearing work experience in the curriculum
  - Strengthening the student voice in the embedding of Education for Sustainability in curriculums across the university.
- National Student Housing Campaign
- Connect Strath Union (especially the Advice Hub) with the national Student Housing Campaign
- Take part in organising activities led by student officers across Scotland
- Join the protest during Stage 3 of the Housing Bill (Monday 22nd)

- Produce educational content to inform students about the Housing Bill and the student campaign
- Student Lead at the Tertiary Quality Enhancement Review (TQER)
  - Review key documentation and participate in the TQER Team work
  - As part of the TQER Team, help with the preparation of the main review visits of the university
  - Support in the creation of long list of students to take part in the review visits
  - Prepare educational content to introduce the TQER to students
