

# Volunteering Achievement Record

## Strathclyde Students' Union

### Contextual information

Strathclyde Students' Union is the representative body for all students of the University of Strathclyde. As a student-led organisation, we strive to enhance the University experience by promoting, representing and supporting students' interests and welfare.

This Volunteering Achievement Record is intended to supplement academic transcripts to provide a description of extra-curricular activities the Student has taken part in through our organisation during their studies. It is not intended as a complete record of activities and should be free of any value judgements.
